4. Old Business

A. Nordhaus - Liberal leave at will for Thanksgiving and Christmas Holidays. No flying the week after Christmas if there is no manning. All agreed. Poitinger asked if there would be flying the day after Veterans Day since many people will be taking leave that day as well. Nordhaus went to ask Col Bartman, didn't have firm answer and was hoping to get an answer by the end of the meeting.

B. Working thru Lunch – “extraordinarily rare” needs to be defined as it pertains to our base. Perlaky thinks it should not apply to our base at all. Nordhaus stated we should work through lunch if it means losing a sortie. Giezie thinks our first approach should be for supervisors to stagger lunch breaks and let employees leave early if they are required to work through their lunch. Leimenstoll agrees that staggering lunches should not be an issue, except possibly for ASA. Working through lunch should NOT be a normal occurrence like

it is now. Nordhaus will see that Col Reagan makes supervisors aware of this issue so they can better schedule lunch breaks. **OPEN ITEM (SEP 09)**

C. Quick turn over launch “Concept Brief Only” – Nordhaus – would like to give this a try to see how it works out. Open Item (OCT09).

3. New Business

A. Christmas Party: Perlaky will talk to Brubaker about who provides the party, food, etc.

B. Next meeting: Regular Meeting scheduled for Tuesday, 01 December 2009 at 1330 hrs in the Wing Commander’s Conference Room.
