AASF #2 (22-100)

11 August 2005

PARTNERSHIP MEETING MINUTES

MEETING began at 1300 on August 11, 2005; attendees were Stuart Driesbach, Andrew Morrow, Tom Roberts, Clinton Byington, Matt Stanton and Steve Cook and Ed Jenkins.

1. OLD BUSINESS:

- (a) Cable Reels in the Hangar – Morrow & Roberts – OPEN
SSG Stanton to check on prices, etc. for air and electrical hoses, we will need 8, its possible it could be contracted out.

2. NEW BUSINESS

- (a) Clint Byington received a draft from Beightler about the smoking policy in force there and their remedy to extinguish smoking in the common areas. – OPEN
We will remove the ashtray at the entrance to the building. The ashtray at the OPS door will be moved to the end of the building. The smoking shelter in the rear of the hangar will be moved to the west side of the building.

- (b) Clint Byington notified the members that the hiring process is changed.
The Diversity Policy we use is not correct. There must be a minority (the same as the minority being interviewed), a female and a union representative. The Human Resource Office will provide the minority if we cannot obtain one. These persons will not be asking interview questions, but only be in attendance for the purpose of moral and equality support.

- (c) Clint Byington brought up the Policy or regulation that is through HRO for the 36 month reprieve for being double slotted – as will all the Company A, 638th DASB members that are now being moved into Company D.

3. FOR INFORMATION

- (a) Per MG Wayt, we should be turning off all electric if not in use. This should include monitors of computers not being used.
- (b) LTC Morrow is checking on the posting of a WG-11 Avionics/Electrical Mech position.
- (c) Per LTC Driesbach, the hall walls will be painted, contract painters have already been hired.

3. The date and time of the next meeting will be announced at a later date
