

Ohio Army National Guard  
Army Aviation Support Facility #2  
7750 South Access Road, Building 918  
Columbus, Ohio 43217-5918

20081201

## PARTNERSHIP MEETING MINUTES

MEETING began at 0830 on 20081201; attendees were Stuart Driesbach, Paul Tumidolsky, Dave Marcum, Robert Parsley, Bobby Lykins, Brad Anspaugh and Bob Ketchum

### 1. OLD BUSINESS:

- a. Running Track – OPEN  
MG Kambic is working ARPEC.
- b. Reels in hangar – OPEN  
Will be installed after the Battalion deploys.
- c. Driving on post, still having issues: If it does not stop COL Driesbach will revoke driving privileges. No answer yet about the guard shack. COL Driesbach called about the holes in the road, they are aware of the situation and are gradually adding gravel.
- d. Cross-training for the rear det. is on-going.
- e. Maintenance Plan while BN is training in December – see below.
- f. Rules and regulations – ongoing tardiness and leave issues have been addressed. Improvement has been noticed.
- g. Posting a position prior to deployment, IAW Cindy Lamprecht we can advertise a position as long as we have a retirement date and letter. This will have to wait until after the deployment. Closed.

### 2. NEW BUSINESS:

- a. Pros vs. Cons for keeping the contract team here during the deployment.  
Driesbach: No loss to us, more bodies, one more phase. No, TI's out of state phase parts, ie. bench stock. COL is asking to keep the team and get a TI on orders.

- b. Length of time for the contract team to stay. Driesbach: When everyone is back off leave.

PARTNERSHIP MEETING MINUTES

20081201

- c. Aircraft pickup schedule for HOP and GON. Driesbach: For HOP trip Tuesday, 9 December crews are identified and coordination has been made.
- d. AASF #2 flight schedule for January and February. Driesbach: As needed and the ability to support.
- e. AASF #2 work schedule for December. Driesbach: No long vacations. Comp. time will be scheduled through supervisors and a schedule will be published.
- f. AASF #2 work schedule for the remainder of deployment. Driesbach: TBD.
- g. AASF#2 additional duties. Driesbach: Information needs to be in Facility Commander's office by December 9.
- h. NVG/Flight Surgeon Flights. Donohue: See d., let Flight Surgeon's know the plan.
- i. End of the calendar year appraisals. HRO: Current system works well for us because leadership and labor enforce the standards.
- j. Building maintenance: The roof is still leaking. State Maintenance knows the problem and are working with the contractor.
- k. Repaint the floor and yellow line: Driesback will check with Siles & Penn about repainting the hangar floor and yellow safety lines.

3. The date and time of the next meeting will be announced at a later date.
