10 August 2011

PARTNERSHIP MEETING MINUTES

MEETING began at 0830 on 10 August 2011; attendees were Mike Smith, Paul Tumidolsky, Pat Harris, Dave McDarmont, Bobby Lykins, Josh Bell and Ed Jenkins.

1. OLD BUSINESS:

a. Facilities Management – OPEN

On or about 15 AUG 11, the ramp repair will begin for the painting of lines and filling of holes. The 2 phases should take 2 weeks each. The curb by the back gate will be removed and replaced with a temporary barrier that is removable.

b. Open Positions – OPEN

In September 2012 when a vacant position (vice DK Taylor) becomes open, it might not go to maintenance as a General Mechanic Foreman. Filson's QA Supervisor job will be posted soon. The 3 general mechanic jobs close today. The avionics jobs are not yet closed.

c. Additional IBB Training – CLOSED

Steve Mathys is scheduled to attend later this year.

d. Civilian Clothing – OPEN

Wearing of civilian clothes on Fridays will be implemented after a memo is produced to give guidance. Two dollars (\$2.00) will be collected by the supervisors.

e. New Appraisals – OPEN

The new system to do appraisals will be implemented next year.

f. Desk Audit for the Fuel Handler Position – OPEN

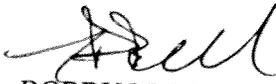

Audit will follow after the ARMS inspection in September.

2. NEW BUSINESS: -OPEN

a. Danny Stevens will rig up a better tie down for the Cobra Static Display.

b. No temp techs will be hired until after 1 OCT 11 or until the unit deploys for Gary Wade or Larosa Gibson. All agreed that the temp tech will be utilized in Flt Ops as a 15P.

3. The date and time of the next meeting will be announced at a later date.
