### CONNECTING TO THE COLLECTIONS

### SOLDIER OF FORTUNE MAGAZINE

The February 2006 edition of Soldier of Fortune magazine used a photograph taken by Sgt. Kim Snow of the 196th Public Affairs Detachment. The image shows Soldiers from the 1st Infantry Division clearing a building during combat operations in Iraq.

Sgt. Snow was credited as "one of the best combat photographers the coalition has had in Iraq." Commanders used many of the images Snow took to prove that enemy forces were using protected targets as weapon platforms.
