

Spc. Cameron Ewing

Company C, 1st Battalion, 145th Armored Regiment ~ Alliance

Ewing grew up in Richland County. Like many others who join the National Guard, Ewing wanted to better himself and serve his country and community. He presently works for Lowe's Home Improvement and said that his job there has not been impacted by the pandemic. Ewing is part of Taskforce Workhorse, and was activated to help provide food packaging and distribution support to the Akron-Canton Regional Foodbank in Akron. Ewing said the most rewarding part of supporting COVID-19 relief efforts is "being able to help the community."

Ohioans serving Ohioans

Ohio National Guard Soldiers and Airmen are members of your community. They are local students, teachers, law enforcement, retail workers, business owners, your co-workers, family, friends and neighbors. When the Ohio National Guard responds to an emergency or natural disaster, it's Ohioans serving Ohioans right in their own communities. In this series, meet some of the front-line heroes serving during the current COVID-19 relief efforts, as well as a few of our members who've supported past humanitarian missions.
