Company F, 237th Support Battalion ~ Mansfield

Graham grew up in Muskingum County and now resides in Licking County. Graham said he joined the Ohio National Guard because of “a long family history in the military and (I) wanted to carry on the tradition.” As a civilian, Graham works as a generator technician. As a member of Task Force Redleg, Graham is providing food packaging and distribution support to the Southeast Ohio Foodbank. He says the most rewarding part of providing support during the COVID-19 pandemic is “having the opportunity to help others in times of need.”

## Ohioans serving Ohioans

Ohio National Guard Soldiers and Airmen are members of your community. They are local students, teachers, law enforcement, retail workers, business owners, your co-workers, family, friends and neighbors. When the Ohio National Guard responds to an emergency or natural disaster, it's Ohioans serving Ohioans right in their own communities. In this series, meet some of the front-line heroes serving during the current COVID-19 relief efforts, as well as a few of our members who've supported past humanitarian missions.
