Prince, who grew up and still resides in Richland County, joined the National Guard as a prior service enlistee from the Marine Corps. “I joined because I missed the military,” said Prince, who is currently employed as an EMT. During the COVID-19 pandemic, Prince is providing food packaging and distribution support as part of Task Force Workhorse at Second Harvest Food Bank of North Central Ohio in Lorain, Ohio. Prince said the most rewarding part of his mission has been “helping people in need.”

## Ohioans serving Ohioans

Ohio National Guard Soldiers and Airmen are members of your community. They are local students, teachers, law enforcement, retail workers, business owners, your co-workers, family, friends and neighbors. When the Ohio National Guard responds to an emergency or natural disaster, it's Ohioans serving Ohioans right in their own communities. In this series, meet some of the front-line heroes serving during the current COVID-19 relief efforts, as well as a few of our members who've supported past humanitarian missions.
